

Alan Gurney designs the fastest sailboats in the world. And Alan Gurney designs the new line of Islander Yachts!

Alan Gurney is world famous for designing exceptionally fast sailboats. They're beamy (which provides unbelievable space and comfort below decks) and they go like the wind . . . on or off the wind.

Islander Yachts is famous for building the finest quality sailboats in the world. They are boats that reflect a feeling for quality . . . tender loving care in the detailing and cabinet work . . . and a knowledge of what boatbuilding is all about.
